

Swift and Seamless Onboarding

Say goodbye to the days of tedious manual entries. Use our custom CSV template to swiftly onboard your entire team without hitches.

Tailored Review Mechanisms

Choose from our expertly crafted predesigned review frameworks or harness the freedom to design evaluations that resonate with your company's distinct ethos.

Redefining Performance Reviews for the Modern Small and Medium-Sized Business

Holistic Evaluation Suite

Whether it's Employee Performance, 360 Reviews, Upward Feedback, or Employee Self-evaluations, our platform gives you a comprehensive perspective of your employee dynamics. Delve into insights, celebrate strengths, and strategically address areas of growth.

Empower Talent Progression

PEC goes beyond mere evaluations—it fosters growth. Our Performance Improvement Plans are meticulously designed to nurture your talent, eliminating the costs and challenges of rehiring and retraining.

Effortless Review Management

Dispatch reviews, collate feedback, and monitor progress seamlessly. PEC's intuitive platform gracefully manages feedback from multiple reviewers, making your life simpler.

Actionable, Data-Driven Insights

Equip yourself with our robust reporting tools. Analyze average ratings, gain insights from particular reviewers, and understand your team's performance dynamics at a single glance.

Clear and Value-Packed Pricing:

We stand for transparent and value-packed offerings. No concealed costs. Our inflation-friendly pricing, of just \$477, not only gives you access to PEC's complete suite but also includes permissions for up to 5 admins. Ultimate value and unparalleled features.

\$477
LIFETIME

A circular badge with a white border and a green background. Inside the circle, the text '\$477' is written in a large, white, sans-serif font, and the word 'LIFETIME' is written in a smaller, white, sans-serif font below it.
