Outlook:® **Tips, Tricks and Secrets Unlocked**

MORNING SEMINAR

TAKE CONTROL OF YOUR WORKDAY.

Outlook integrates email communication, to-do lists and tasks, resource tracking, storage and meeting management into one amazing multi-faceted software program.

Sticky notes, meeting reminders, lists of daily tasks, or any other manual system you might be using now could be made more efficient, effective and helpful with the use of this powerful productivity program. If you need to organize, track, store and share different types of information to manage work and personal schedules, then this training is for you.

Participants will come away from this workshop with a greater understanding of Microsoft Outlook and its versatility as a desktop information manager. Enjoy a new appreciation for a system that enables and encourages efficiency, productivity and control.

In a half day of Outlook Training, we'll cover:

- Maximizing internal and external email communications
- Building and maintaining your contact information center
- Navigating Outlook and learning how to manage your schedule down to the minute
- Prioritizing your “to do’s” and assigning tasks to others
- Experiencing improved efficiency and increased productivity
- Saving, organizing and sharing vital communications with ease
- Reading, managing and creating new messages, setting up signatures, and activating the Out of Office Assistant
- Creating new appointments, contacts, contact groups and distribution lists

Learn Outlook secrets that will help you manage your busy schedule efficiently and effectively.

Vintage organizational tools before Microsoft Outlook:

- Spiral notebooks with to do lists
- A planner
- Large desk calendar with appointments
- The inbox on your desk, always full
- An address book
- Business card holder
- Folders with lots of paper
- Sticky notes for reminders
- Strings tied on your finger to remember
- Date stamp

Microsoft Outlook has taken these tools to the next level. If you once used them, or still do, take this course to learn how to use this program to its fullest organizational potential.

Q: Is this course for beginners?

A: This course is for anyone who is new to Outlook or new to the 2013 environment. It will also benefit current users eager to get a stronger base in Outlook's capabilities and looking for an organizational resource to better manage their time.

Q: What versions of Outlook does this course cover?

A: Both the morning and the afternoon sessions will cover Microsoft Outlook versions 2010 and 2013.

Q: Will I spend the day in front of a computer?

A: No! You can learn more in less time with our dynamic hands-off teaching approach. You'll be able to concentrate and learn without being slowed down by keyboarding or waiting for the group to catch up. (And, doesn't a day away from the computer screen sound great?) Your workbook provides the information you need to try everything you've learned later, at your own speed.

Outlook: **Beyond Email and Calendar**

AFTERNOON
SEMINAR

HOW TO ORGANIZE, CUSTOMIZE AND GET THE MOST OUT OF OUTLOOK.

Microsoft® Outlook® gives us the ability to streamline and organize our busy lives with a collection of key productivity tools.

Sometimes, communications can be daunting. It seems the more we are connected, the more complicated it can become. It can even feel that there is more to keep track of as your business and personal communications needs grow. We have meetings, luncheons, appointments at work and things to take care of at home. The more we do, the more we need organizational assistance to help us balance it all. While Microsoft Outlook is not the answer to a balanced life, it certainly is the answer to organizing the chaos that comes with a busy schedule.

In a half day of Outlook training, we'll cover:

- Uncover more in-depth and advanced features of Outlook
- Learn to take messages to the next level
- Master your calendar and contacts
- Prioritize your “to do’s” and assign tasks to others, quickly and easily
- Manage multiple calendars to overlay schedules and better examine your availability
- Take advantage of reminders and meeting notes
- Make your contacts work for you by managing multiple address books
- Discover tips on how to maximize Outlook’s ability to work with other Microsoft programs such as Word and OneNote®

Take Outlook to the next level with this advanced course!

10 million satisfied customers can't be wrong.

Fred Pryor Seminars, founded in 1970, is the oldest one-day seminar company in the United States. WOULDN'T YOU LIKE TO:

- Be more organized?
- Meet your deadlines?
- Delegate more?
- Share information easily?
- Organize your contacts?
- Use your tasks?
- Work flawlessly between Microsoft® programs?
- Feel less stress from the many demands of a busy life?
- Enjoy communications more?

Then Microsoft Outlook *Beyond Email and Calendar* is for you!

DO THESE SITUATIONS SOUND FAMILIAR?

- You arrive at work to find that your most trusted and productive “right-hand” worker isn't there – but where is she?
- You push on working without her, when someone steps in and asks, “We've started the meeting, are you coming?” And you think – “Where are we on this task she was working on?”
- Or worse yet, you think: “What meeting?”
- Your inbox overflows with memos, reports, publications and more — and all of it needs your immediate attention – but you don't know where to start or how to get through it all.
- You are trying to get something done, but the email pop-up keeps luring you to check your messages.
- You were supposed to take the dog to the vet today – how could you forget?

If this sounds like things that happen in your day, you need this seminar to help Outlook work for you and manage your busy schedule!
